Focused Note Taking

Innovation Project Pyramid

Pick a sustainability or innovation project- develop a Goal statement for this initiative, give it a title, and describe it a bit more if necessary (no more than one sentence!).

Catchy Title:

System Change Goal:

Brand/Identity

Student Leadership

Partnerships

Systems Tools

Other

Innovation Description (including what the initiative is, how it will work, and what will be the expected impact on the sustainable development of the community.

Modified Pyramid Light from Compass Education
